ADDITIONAL TERMS AND CONDITIONS OF THE CONTRACT - WSB & Client

1. **PARTIES.** Washington Speakers Bureau ("WSB") and Client, each a "Party" and collectively the "Parties" are the signatories to this Agreement. WSB is the booking agent for the Speaker for the scheduled speech or other performance (the "Engagement"). Accordingly, WSB has confirmed Speaker's availability to perform the Engagement for Client and shall handle all payments from Client related to same. The Parties are independent contractors with respect to this Agreement. Nothing herein shall constitute a partnership, joint venture or employer/employee relationship between them, and neither Party is the agent of the other. Neither Party shall hold itself out contrary to the terms of this paragraph and neither Party shall become liable for any representation, act or omission of the other contrary to the provisions hereof.
2. **SPEAKER.** The Speaker is not a party to this Agreement. The Parties acknowledge that the Speaker is an independent contractor and is not the employee, partner, joint venturer or agent of either the Client or WSB. As an independent contractor, the Speaker shall have the exclusive control over the means, method and details of fulfilling the services outlined in this contract. Although WSB and the Speaker have a contractual relationship, neither WSB nor the Speaker is responsible for any act or omission on the part of the other.
3. **NON-ASSIGNABILITY.** It is agreed that this Agreement is a personal service contract and that the terms of this Agreement are not assignable in whole or in part by either Party without the prior written approval of the other Party.
4. **TAXES AND FEES.** It is understood that the Speaker, as an independent contractor, shall assume all responsibility for payment of her/his federal income tax, social security and Medicare tax, state income tax, public liability and workers' compensation insurance. It is understood that the Client may be required by law to withhold state and local income taxes in certain U.S. jurisdictions and to withhold foreign income taxes in certain foreign countries. These taxes will be withheld only as required from the fees due the Speaker and remitted directly to the jurisdiction by the Client on the Speaker's behalf. An itemized statement shall be provided in a timely manner to WSB that shall include the exact amount of any and all taxes withheld, the date of payment and the entity to which payment was made. In the event that there are any sales taxes, admission taxes, user fees or other charges, taxes or fees of any kind levied by the jurisdiction where the Engagement is to take place, the Client shall be wholly responsible for any and all such taxes and expenses in addition to any other payment due under the terms of this Agreement.
5. **PAYMENT TERMS.** The Client shall strictly comply with the payment terms as set out in this Agreement. The timing of payments is of the essence. In the event that any payment is not received by the due date, such non-payment constitutes a material breach of this Agreement by the Client. The acceptance by WSB of any payment after the due date shall not be construed to be a waiver.
6. **EXPENSES.** The Client shall be responsible for all reasonable expenses in addition to payment(s) for the Engagement. Expenses for the Speaker will include first class airfare (unless otherwise agreed) and other normal transportation charges and expenditures, local lodging and meals, taxis or limousine fares and any other expenses made necessary by the Speaker's trip to, presence in, or trip from the city in which the program is presented.
7. **BREACHES.**
 - a. In the event that the Client fails to provide any of the items promised herein, fails to make timely payments as provided herein, fails to proceed with the Engagement, and/or breaches any of the other conditions set forth in this Agreement, then WSB shall notify the Speaker that he/she shall have no obligation to perform the Engagement described herein and WSB may immediately enforce any and all remedies available to it under the law.
 - b. In the event that any breach or cancellation of this contract occurs at any time prior to sixty (60) days before the scheduled event, 50% of the total fee shall be due and payable immediately to WSB. In this event, WSB, upon receipt of the payment, shall pay the Speaker the amount received, minus the full amount of the commission, which shall be accepted by the Speaker in full satisfaction of the Speaker's rights under the Agreement.
 - c. In the event that any breach or cancellation of this Agreement occurs within a period of sixty (60) days or less before the Engagement, the entire fee shall be due and payable immediately to WSB.
8. **CANCELLATION BY THE SPEAKER.** In the event of cancellation of this Agreement at any time by the Speaker due to illness or an unforeseen emergency or overriding obligation or professional responsibility, WSB will have no liability for expenses or losses incurred by the Client. WSB will make a reasonable effort to provide a comparable Speaker that is

- acceptable to the Client. In the event that the Speaker cancels the Engagement and if WSB cannot provide a substitute speaker that is acceptable to the Client, then WSB shall promptly refund to the Client any payments received.
9. **THE ENGAGEMENT.** The Client shall provide a well-ventilated (or cooled as the case may be), well-lit, safe and appropriate place (the "Venue") for the Engagement. All equipment and facilities shall be in good working condition together with the necessary stage, accessories and properties including without limitation, microphones and amplification system. The Client shall ensure that the audience shall be no more in number than the legal number permitted at the Venue. No additional appearances or activities shall be planned by the Client or sponsor nor expected of the Speaker unless expressly contained as part of the terms of this Agreement. The fee listed is understood to be for the Engagement and in certain cases associated expenses (i.e., the speech or other performance) only; any additional activities must be negotiated independently with WSB and set forth in writing. Any material change in the nature of the engagement including without limitation, the Venue, the size of the audience, the purpose, the sponsor, or the other speakers on the agenda, shall constitute a breach of this Agreement without the prior written approval of WSB. In the event that the Speaker has any specific requirements, including without limitation, the need for any special equipment, any such requirements shall be provided in writing and shall be attached to this Agreement as an Addendum.
10. **FURTHER ASSURANCES.** In the event that WSB, after entering this Agreement, receives or discovers information which raises concern about the Client's ability to perform all of the terms and conditions of this Agreement, including timely payment, or concern that the program as planned by the Client may not be acceptable or in keeping with the Speaker's public image or personal beliefs, then WSB may request certain assurances from the Client. The assurances may include without limitation, advance payment, personal guarantees, other security arrangements or adjustment(s) of the agenda.
11. **DEFAULT AND REMEDIES.** If the Client breaches any of its obligations hereunder including without limitation, the payment terms, the full amount of the fee shall become due and payable immediately by the Client. If the Client fails to pay any sums due within five (5) days from the date such sums are due and owing, the balance will accrue interest at the rate of 1% per month. In the event that it becomes necessary to involve the services of an attorney or collection agent, the Client agrees to pay all costs of collection including reasonable attorneys' fees and all the costs incurred in any litigation instituted to recover amounts due under this Agreement.
12. **APPLICABLE LAW.** This Agreement shall be governed and construed in accordance with the laws of the United States and will be the laws of the Commonwealth of Virginia applicable to contracts entered into and to be performed entirely therein without regard to any choice of law or conflict of law provisions.
13. **DISPUTE RESOLUTION.** In the event of a dispute arising from or relating to this Agreement, each Party shall appoint a senior management representative to negotiate a resolution. If such efforts are not successful within ninety (90) days or as otherwise agreed by the Parties, the Parties shall submit any dispute arising from or related to this Agreement to non-binding mediation in a neutral location mutually agreeable to the Parties. If such mediation is not successful, then the Parties shall submit the dispute to arbitration by a single arbitrator in accordance with the Rules for Commercial Arbitration of the American Arbitration Association in a neutral location mutually agreeable to the Parties.
14. **RECORDING PROHIBITED.** It is agreed that the Engagement, including without limitation the Speaker's address, may not be recorded by any means, including without limitation, on audio tape, video tape or film, nor may it be broadcast or streamed on the Internet, in whole or in part, without the prior written permission of WSB.
15. **CONFIDENTIALITY.** The Parties agree that the terms of this Agreement, including its compensation terms, ("Confidential Information") are confidential and should be held in confidence by each Party. The Parties shall not publicly disclose any Confidential Information and acknowledge that any breach, negligent or intentional, of this confidentiality shall be deemed a material breach of this Agreement for which the breaching Party will be held liable.
16. **FORCE MAJEURE.** Notwithstanding any other provision of this Agreement, in the event that the performance of any obligation under this Agreement by either Party is prevented due to acts of God, exchange controls, export or import controls, or any other government restriction, wars, hostilities, blockades, civil disturbances, revolutions, strikes, terrorist attacks, lockouts, or any other cause beyond the reasonable control of a Party, such Party shall not be responsible to the other Parties for failure of performance of its obligations under this Agreement. Each Party shall promptly

- notify the other Parties of such force majeure condition. The terms of this Clause shall not exempt, but merely suspend, any Party from its duty to perform the obligations under this Agreement until as soon as practicable after a force majeure condition ceases to exist.
17. **LIMITATION OF LIABILITY.** In no event shall either party be liable to the other for indirect, incidental, consequential, special, or exemplary damages such as, but not limited to, loss of revenue or anticipated profits or lost business, incurred by a party whether in an action in contract or tort even if the other party has been advised of the possibility of such damages, except for the payment obligations of client under this Agreement, and the indemnification obligations of the parties, and any damages arising from one party's misappropriation of the other's intellectual property or confidential information.
18. **INDEMNITY.**
 - a. Each Party shall each indemnify, release, defend and hold harmless the other Party, its directors, officers and employees from and against any and all claims, demands, causes of action, losses, damages, liabilities, costs and expenses, including without limitation, reasonable attorneys' fees and costs, arising out of a third Party claim, action, or proceeding, based directly or indirectly on any breach of its warranties contained herein or arising from or relating to its performance under this Agreement.
 - b. The Party claiming indemnification under this Section shall promptly notify the other Party when it has knowledge of circumstances or the occurrence of any events which are likely to result in an indemnification obligation under this section or when any action, suit, arbitration, or judicial or administrative proceeding covered by this section is pending or threatened.
 - c. Except for willful misconduct or gross negligence, neither Party shall be liable to the other for punitive, exemplary, special, indirect, or consequential damages including, without limitation, lost profits, each Party's aggregate liability being limited to the other Party's direct damages.
 - d. In the event of a claim from a third party, either Party may, at their own expense, assist in the defense if each so chooses, provided that: (i) the ultimate Party against whom the claim is asserted shall control such defense and all negotiations relative to the settlement of any such claim; and (ii) any settlement intended to bind the claimant Party shall not be final without the claimant Party's written consent.
 - e. The claimant Party shall be required to provide reasonable cooperation to the indemnifying Party in the defense of any claim hereunder.
19. **SEPARABILITY.** Should any provision of this Agreement be held to be void, invalid or inoperative, the remaining provisions of this Agreement shall not be affected and shall continue in effect and the invalid provision shall be deemed modified to the least degree necessary to remedy such invalidity.
20. **DUE AUTHORIZATION.** Each of the Parties represents and warrants that the execution, delivery and performance of this Agreement have been duly authorized by all necessary corporate action on its behalf, this Agreement has been duly executed by it, and this Agreement constitutes its valid and binding obligation.
21. **INTERPRETATION.** This Agreement has been entered into after review and negotiation of its terms by the Parties hereto, who have both had the opportunity to be represented by counsel. The Agreement shall be fairly interpreted in accordance with its terms and without any strict construction in favor of or against either Party. No ambiguity or omission shall be construed or resolved against either Party on grounds that this Agreement or any provision thereof was drafted or proposed by such Party.
22. **HEADINGS.** The Section headings provided herein are for convenience only and shall have no force or effect upon the construction or interpretation of any provision hereof.
23. **SURVIVAL.** The following sections of this Agreement (including their respective subparts) shall continue in full force and effect notwithstanding any termination or expiration hereof: Sections 3, 4, 11, 12, 13, 15, 17, 18, 19, 20, 21, 22 and 24.
24. **ENTIRE AGREEMENT.** This Agreement may be executed in one or more counterparts each of which will be deemed an original but all of which when taken together will constitute one and the same instrument. This Agreement sets forth the entire understanding between the Parties; it shall become effective when a fully executed original is received by WSB. This Agreement may not be altered, changed, modified or waived in whole or part except by another agreement in writing signed by both Parties. An executed facsimile copy, email, or photocopy of this Agreement shall be deemed an original.

This contract is subject to the terms and conditions set forth on all previous pages of this contract. The representative of the Client in signing this agreement warrants that she or he signs as a duly authorized representative of the Client

Unless agreed to at the firm invitation stage, Customer shall not permit or assist in the request for autographs while the Speaker is on-site.

PHOTO OPPORTUNITIES:

All photo opportunities will be considered on a case-by-case basis and must be requested at firm invitation stage for Speaker's approval. In order to ensure that all guests are able to have their photo taken with speaker following are the number of clicks as appropriate for length of photo op: 45 min/75 clicks; 60 min/100 clicks and 90 min/125 clicks. If approved, Customer agrees to provide a professional photographer(s) for all photo opportunities. The diagrams at the end of this addendum show the formats to be followed. The room or area for the photos must be set apart from the presentation room and should have sufficient light. NOTE: Direct, on-camera flash bulbs are not permitted. Rope and stanchions will also help to expedite the photo op and are highly recommended.

RECEPTIONS:

Attendance at receptions must be agreed to at the firm invitation stage. A list (name, title and affiliation) of those attending the reception must be supplied to WSB in advance. For those receptions with a large number of attendees (100+), rope and stanchions are highly recommended to assist with attendee control and ensure that all attendees will be able to greet Speaker during the allotted reception time.

BROADCAST / RECORDING:

All broadcast and recording requests will be considered on a case-by-case basis and must be requested at the firm invitation stage for Speaker's approval. If recording is approved, Customer must supply WSB a copy of the recording on DVD within seven (7) days of event date. Customer may take still photographs (without flash bulbs) of the Speaker for Customer's own records (and not for public dissemination) as long as WSB determines that the taking of such photographs is not a distraction to the Speaker or the audience. Customer shall not make any other uses of such photographs, except as specifically authorized by WSB.

Lighting should be at a comfortable, but appropriate, production-level for the Speaker to be able to see the full audience from the lectern/stage without interference. A spotlight directly on the Speaker should be avoided. Unopened bottled still water (2 bottles) and bendable straws are to be placed in or near the wooden lectern. A representative of WSB or the Speaker's party will open the water at an appropriate time prior to the Speaker's participation in the program. No Plexiglas or thin lecterns please. PHOTO-OPPORTUNITY SET-UP INSTRUCTIONS AND DIAGRAM

HELPFUL HINTS:

The above diagrams are the most effective set-up and allows for everyone to have his or her photo taken with minimum disruption and maximum efficiency.

Guests should come from the Speaker's RIGHT and depart at the Speaker's LEFT. The waiting line should be kept close to the Speaker's RIGHT, just out of camera sight. Guests should not present the Speaker with any gifts or other materials/objects, nor should guests request the Speaker to autograph anything.

If possible, a table should be set up behind the photographer so guests may leave name tags, drinks, handbags and other items. Guest should walk towards Speaker's right and will be able to pick up items as they depart at the Speaker's left.

If guest names are to be collected to identify photos, it is best to do so after the guest has their photo taken. For large groups, it works best with two staff members assigned to this task.
