OFFICE OF

 UNITED STATES POSTAL SERVICE

USPOSTAL INVESTIGATION SERVICE

Attn: Mary V. [REDACTED]

The information we gave to you is all you are expected to know as others are for the government agencies as they are all classified documents.

We were just doing everything not to violate your human rights and that was why your parcel did not face total seizure and confiscation, because we had the rights to do that as you were bringing in such amount of money into this country without paying for the IRS fee. Note that we gave you the privilege to clear up your fund either with the full sum of \$12,000 which is your IRS (INLAND REVENUE SERVICE FEE) or you apply for a waiver fee which is within the range of \$2000 - \$5000, depending on your income.

The ATM and CHECK is from CITIBANK, United Kingdom.

Send us your occupational status so we can work out the IRS WAIVER FEE which is due to you. Contact us immediately and tell us what you can afford for now and lets have your parcel sent to you which upon the confirmation and receipt of your fund you will clear up the complete IRS Oof \$12,000 immediately.

Sincerely,
 Al Lazarof,
 Chief Postal Inspector
 Industry Law Enforcement Agency
 Headquarters Washington, D.C.
