Dear aMigo

A close friend of the family the chief rabby of malta (Admor) will meet next monday with the US ambassador in Malta. I think its the first time they will meet. He is doing a very important job recovering the jewish comunity there and also helping in many countries. I just wanted to pass the word and if it is possible let the ambassador know he is great guy. He only wants to have a good relation with this embassy in favour of the comunity. He is not seeking for money or support. As you know the jewish were almost eliminated there amd he is recovering all the families and constructing a relation of mutual respect with the government.

Thank you if u can help is a great cause

Saludos Amigo
