Gifts, Reimbursements, and Travel Expenses

*This category applies only if the underlying asset is solely that of the filer's spouse or dependent children. If the underlying asset is either held by the filer or jointly held by the filer with the spouse or dependent children, use the other higher categories of value, as appropriate.

For you, your spouse and dependent children, report the source, a brief description, and the value of: (1) gifts (such as tangible items, transportation, lodging, food, or entertainment) received from one source totaling more than \$350 and (2) travel-related cash reimbursements received from one source totaling more than \$350. For conflicts analysis, it is helpful to indicate a basis for receipt, such as personal friend, agency approval under 5 U.S.C. § 4111 or other statutory authority, etc. For travel-related gifts and reimbursements, include travel itinerary, dates, and the nature of expenses provided. Exclude anything given to you by

the U.S. Government; given to your agency in connection with official travel; received from relatives; received by your spouse or dependent child totally independent of their relationship to you; or provided as personal hospitality at the donor's residence. Also, for purposes of aggregating gifts to determine the total value from one source, exclude items worth \$140 or less. See instructions for other exclusions.

ATTACHMENT A TO SCHEDULE A - ASSETS AND INCOME

On January 9, 2009, Barack Obama executed an amendment to his previously disclosed, December 2004 agreement with Crown Publishing Group, a division of Random House, Inc. Under this agreement, a non-fiction work, the subject to be determined, would not be delivered during his term in office and the schedule for any future book publications would be accordingly revised.

On January 15, 2009, Barack Obama approved a \$500,000 advance against royalties under an agreement between Crown Publishing Group, a division of Random House, Inc., and Random House Children's Books, for an abridged version of *Dreams From My Father* suitable for middle grade or young adult readers, as proposed by the publisher in 2008. The President received the last advance payment for the abridged version of *Dreams From My Father* in 2010. Royalties for the book are: 15% of the U.S. sales price for hardcover book sales, 7.5% to 10% of the U.S. price for trade paperback book sales, 10% for the U.S. price for the mass-market paperback book sales, and other standard royalties. The abridged, young adult version of *Dreams From My Father* will be prepared and released by the publisher subject to the President's approval.

Prior to taking office in January 2009, Barack Obama wrote and delivered the manuscript of *Of Thee I Sing*, a children's book. This book is part of his previously disclosed December 2004 agreements with Crown Publishing Group, a division of Random House, Inc. *Of Thee I Sing* was published in November 2010 and all after-tax, author proceeds from this book have been and will continue to be donated to the Fisher House Foundation for a scholarship fund for children of fallen and disabled soldiers.
