It's Time for an Immigration Plan that *Works*

1. Protect our borders.
2. Tougher penalties on companies that employ illegal immigrants.
3. No driver's licenses for those who are here illegally.
4. An earned path to legal status for those who are already here and working hard if they pay taxes, respect the law, and learn English.
5. No guest worker program that exploits workers and undermines the wages of U.S. workers.
