

This ABC News poll was conducted by telephone Jan. 28-31, 2010, among a random national sample of 1,012 adults. Results for the full sample have a 4-point error margin; click [here](#) for a detailed description of sampling error. Sampling, data collection and tabulation by Social Science Research Solutions at ICR-International Communications Research of Media, Pa.

\*= less than 0.5 percent

1. What's the chance you'll buy a new car in the next five years? Would you say you're very likely to that, somewhat likely, somewhat unlikely or very unlikely to buy a new car?

	Likely			Unlikely			No
	NET	Very	Somewhat	NET	Somewhat	Very	opinion
1/31/10	45	24	21	54	12	42	*

2. Thinking about the car maker Toyota, is your overall opinion of Toyota - very favorable, mostly favorable, mostly unfavorable or very unfavorable?

	Favorable			Unfavorable			No
	NET	Very	Mostly	NET	Mostly	Very	opinion
1/31/10	63	26	37	28	14	14	9
1/9/07*	78	24	54	11	8	3	11
12/11/05	72	24	48	14	10	4	14

\*2007 and previous Pew. No opinion includes "never head of (vol.)" 1 percent.

3. You might have heard that Toyota has recalled some cars and has stopped manufacturing and selling most of its cars in North America because of a problem with the gas pedals getting stuck. Do you think this indicates a broader problem with the quality of Toyota cars, or do you think it's an isolated incident that does not indicate a broader quality problem?

	Broader problem with quality	An isolated incident	No opinion
1/31/10	21	72	6

4. Does this situation make you more likely or less likely to consider buying a new Toyota in the future, or will it have no effect on whether you consider buying a new Toyota? (IF LESS LIKELY) Is that much less likely, or somewhat?

	More likely	Less likely			No effect	No opinion
		NET	Much less	Somewhat less		
1/31/10	5	22	10	11	72	2

5. Do you think the federal government should investigate to see whether or not Toyota acted quickly enough after learning of problems with these cars, or do you think that kind of investigation is not necessary?

	Federal government should investigate	Investigation is not necessary	No opinion
1/31/10	39	56	5
