The State Attorney's Office  
Barry E. Krischer  
401 N. Dixie Highway  
West Palm Beach, FL 33401

Dear Mr. Krischer:

I am writing you this letter as a concerned parishioner at St. Vincent Ferrer Church in Delray Beach. Our pastor Father Guinan has been removed from ministry and an internal audit is being performed by the diocese to determine if there was misappropriation of funds. The audit I am told also includes the previous pastor Father Skehan. As a longtime parishioner, I am concerned that the information found from this audit will remain a secret with the church, hence no criminal charges will be brought if the suspicions are found to be true. Since the money came from the parishioners, I believe it is our right to have the state attorney's office investigate the matter and charges pressed if criminal activity has been found. I am writing you this letter in hopes that you will look into this matter and take the necessary steps if these allegations become true. Thank you.

Sincerely,

A concerned parishioner
