

**10 reasons to include an Employee
Investment Savings Account
(EISASM)**

in your investment portfolio.

This account combines the benefits of high interest, complete liquidity, no fees, full insurance coverage and more.

1. The EISASM program offers. An employee incentive savings plan for company personnel and shareholders.

2. None of your money is ever tied up. You can make an unlimited number of transactions through our company's corporate account supervisor. Withdrawals can be made by check or wire transfer.

3. It's also easy to add money. Just deposit cash or checks through our company's corporate account supervisor. You may cancel your account at any time by notifying your account supervisor.

4. We will send you a clear, concise quarterly statement. The statement will give you the complete status of your account for the previous three months, with interest yields posted.

* The final date of deferment is when you reach 87 years of age. Earnings may be derived from Tax Free Reserves. Section 128-Internal Revenue Service Code may apply. Funds may be settled in five equal yearly installments with half of each installment apportioned towards interest earned. An EISASM account cannot be collateralized or exchanged prior to interest being earned and declared. The Employee Investment Savings Account is an asset based cash account. All funds shall be insured under F.D.I.C. standards with Lloyd's of London coverage.
