To all of my friends ~~and~~ Jim so sorry for what I've done to you and put you through I've been a piece of [redacted] my entire life it seems this is my only option. I know everyone will remember me as some sort of monster but please understand that I just don't want to be a burden on the ones that I care for my entire life I just want to take a few pieces of [redacted] with me. I love all of you so much and I don't want anyone to miss me just think about how much better you are off without me to support. I want my friends to remember all the good times we had together. Just think tho I'm gonna be [redacted] famous. You guys have always been there for me I'm just sad that I'm gonna have to go this alone. You guys are the best friends anyone could ever ask for. That's all I have to say is that I [redacted] you guys.

P.S. I didn't eat that [redacted] sandwich or the toilet/et thing either!
