

Dear Doug & Hilary,

I want to add to the request I made this morning & share another desire I have.

First I want you to know I am sharing my desire and ~~that~~ that I would only want you to do it if it is yours also; if you feel it is Heavenly Father's will because it may just be a selfish desire on my part.

I know I will be here w/ my body until it is buried & I have held a secret hope & desire since for several weeks that I would be able to see you both married, that I could be there! I do feel I'll be there when you go through the temple & other special family occasion & would think I could see your wedding but for some reason this desire for you to be married immediately & to see you sitting together as husband & wife at my funeral has been so strong. It would give me so much peace to know that Hilary was legally the mother of our children & had all legal rights to them. I want them to feel this security & that they have not been deserted but their needs have been considered & that I have such

A strong desire for their security & happiness!

I love all of you so much & wish & pray for all happiness & joy to be ^{w/} you through~~out~~ the remainder of your lives. I'll always be there if you need something! I do believe in the ministering of angels & ~~in~~ Guardian angels. I know they will always be available to you through faith in our Savior Jesus Christ! You may not see them but they will be there & I know that at times I will be too. I pray that your home will be protected from the adversary & fill w/ the Holy Ghost! I know it will be!

Life is beautiful beyond our comprehension. I hope each & every one of you have the most glorious life every to be had!

Love for eternity,

Jaylene
