Re: Amended and Restated Letter Agreement

Dear Bill:

As you are aware, I have information which I have provided to certain government agencies concerning my former employer Herbalife.

You have asked that I provide such information to the media and other parties. This letter will confirm our revised agreement, which replaces, amends and restates in its entirety the February 7, 2013 letter agreement.

1. Pershing Square Capital Management, L.P. ("Pershing Square") will pay directly my counsel's reasonable fees as set forth in the engagement letter furnished to your counsel.
2. Pershing Square will indemnify and hold me harmless from any judgments, fines, losses, claims, damages, settlements, liabilities, costs, fees, and other expenses, including reasonable fees and costs (together, the "Costs"), resulting from any lawsuits, claims, or other proceedings, related to or arising from any information that I provide to government authorities or, if requested, to Pershing Square, the media and other third parties regarding my former employer Herbalife (the "Disclosures").
3. I hereby agree to provide to Pershing Square the information described above, and agree that Pershing Square may cause such information to be made public. Each party hereto understands and agrees that it is aware that the federal and state securities laws regulate the

trading of securities of a company on the basis material, non-public information about such company and agree to comply with their obligations under such laws.

4. Pershing Square will reimburse me for lost wages and benefits, up to \$250,000 per annum increasing 5% each year, to be paid monthly, resulting from any termination of my current employment with WASH Multi-Family Laundry ("Employer") to the extent relating to or arising from the Disclosures, until the earlier of (i) the resumption of my employment in a position with comparable compensation (provided that in the event I obtain any employment in a position with less than comparable compensation, I will only be entitled to the difference between compensation provided for above and the compensation actually received by me); or (ii) a date that is 10 years from the date hereof. If I am terminated within 180 days following the execution of this agreement, it shall be presumed the termination relates to and arises from the Disclosures, unless clear and convincing evidence proves otherwise. In addition, if my employment with Employer is terminated by Employer for any reason within 3 years of the Disclosures and I am unable to find employment in a position with comparable compensation within 6 months, Pershing Square will pay me 2 years salary and benefits over the next 2 year period for so long as I am unable to find employment in a position with comparable compensation (provided that in the event I obtain any employment in a position with less than comparable compensation, I will only be entitled to the difference between compensation provided for above and the compensation actually received by me). Pershing Square will also reimburse me for the lost value to me, if any, in an amount not to exceed \$500,000, of my equity interests in Employer listed on Schedule A hereto which would have been earned by me upon the occurrence of an initial public offering or other liquidity event of Employer, based on the initial public offering price or the value per share resulting from the liquidity event, occurring within three years from the date hereof but for forfeiture of such equity interests to the extent arising from the termination of my current employment with Employer to the extent relating to or arising from the Disclosures. The payment of any amounts under this paragraph shall be subject to providing the Disclosures to Pershing Square and the subsequent termination of my employment with Employer and shall be further subject to my obligation to use reasonable efforts to seek an alternative position with comparable compensation.

5. Amounts owed by Pershing Square pursuant to this agreement shall be without duplication. Except for the information already provided to certain government agencies, no amounts shall be owed by Pershing Square relating to or arising from any Disclosures which have not been approved in writing by Pershing Square prior to such Disclosures.

6. I represent and warrant to the best of my knowledge and belief that I have not made, and shall not make, with respect to any Disclosures, any untrue statement of a material fact or omit any statement of a material fact that makes any such Disclosures misleading.

7. The fact of and terms of this arrangement are confidential and will not be disclosed by either party except as required by law. Pershing Square agrees that, without my prior consent, it shall not release my name in connection with the Disclosures unless required by law, in which case Pershing Square will provide me and my counsel with prompt notice of the request to the extent lawful.

Please confirm my understanding by signing and returning a copy of this letter.

Very truly yours,

Giovanni Bohorquez
