

# Mike Huckabee – a “True” Conservative?

Mike Huckabee is affable, friendly and over all a nice guy on the campaign trail. But does his voting record truly show him to be a conservative?

- Huckabee says, “Every child *regardless of their immigration status* should have an opportunity to receive an education in the U.S.” How is this false compassion anything less than justification for violating the 8<sup>th</sup> commandment (stealing from US citizens)? With the culture in Arkansas having been Christian, Huckabee also says, “Arkansas needs to make the transition from a traditional Southern state to one that recognizes and cherishes diversity in culture...” Is something wrong with what’s left of their Southern Christian culture? See <http://www.arkansasnews.com/archive/2005/06/30/News/323746.html>
- Huckabee says, “...it is difficult for us, with our religious tolerance, our separation of church and state, to grasp how these [sic. Islamic] people think. After we attend different churches on Sunday, or no church, Americans share meals or movies – we don’t slaughter each other. We have thrived on our diversity – religious, ethnic, racial – to become the world’s superpower.” [http://www.cfr.org/publication/14335/mike\\_huckabees\\_speech\\_on\\_foreign\\_policy.html](http://www.cfr.org/publication/14335/mike_huckabees_speech_on_foreign_policy.html) Why does Huckabee praise the so-called separation of church and state? *Religious diversity* has been the tool to undermine Biblical Christianity. Did our forefathers, busy fighting the world’s superpower (England) of their time, really want America to be a superpower? We hoped Huckabee was more “pro-life” than just in political rhetoric. Ours is an anti-Christian nation **which does slaughter each other**....one-third of our pre-born babies each year. Who is he fooling! Huckabee’s pandering reflects the modernism found in too many evangelical pulpits. It needs to be repented of.

- Wayne Dumond, a prisoner in jail for the brutal sexual assault of a 14 year-old Arkansas cheer-leader, is granted clemency by Huckabee’s arm-twisting the state parole board. To verify call former parole board members Debra Suttler (501-590-6691), Dr. Charles Chastain (501-663-4408) or Ermer Pondexter (903-244-9353). When freed, Dumond murders Carol Schields (chosen at random) in Clay County, Missouri. See **Arkansas Leader** article below and the **Arkansas Times**’ prize winning report below of Huckabee’s role in freeing the rapist turned murderer. Dumond’s eight day Missouri trial and conviction of this brutal first degree murder, was **highly publicized back in Arkansas**. Yet Huckabee’s 2007 campaign book **From Hope to Higher Ground** (p. 94) went so far as to say that Dumond had **no trial** in Missouri. To confirm Dumond’s murder trial call Clay County, MO senior prosecutor Daniel White at 816-736-8302. Does Huckabee’s desire to cover up his role in Carol Schield’s death include lying about the trial of her killer? - True justice alludes Mr. Huckabee. Why on September 26, 2003, did Huckabee sign a letter of recommendation for re-enlistment to the military on behalf of a five-time convicted sex-offender, Marcus Clay? Why did he promise Clay and his family he would work toward a pardon of his criminal record? Why did the Arkansas Parole Board recommend Clay for the first pardon of a convicted sex offender since Wayne Dumond? Because Huckabee and the Board knew what the military JAG court, Senator Blanche Lincoln and Congressman Marion Berry all knew - the civil court would not allow into evidence the fact that Mr. Clay was at Ft. Benning when the alleged offenses occurred. The Sheriff who hand wrote out Mr. Clay’s “confession” is now a state representative and Mr. Clay sat 8 years in prison, falsely convicted. He wants to return to military service to serve our country, but when the time came for Huckabee to sign the pardon he had decided to run for President. How would that look in light of Dumond? So politics trumped principle and Clay remains falsely convicted. To see the govt. records contact Marcus Clay at 501-838-3188 or italiansbella@yahoo.com.
- Phyllis Schlafly, president of the national Eagle Forum, is even more blunt. **“He destroyed the conservative movement in Arkansas, and left the Republican Party a shambles,”** she says. “Yet some of the same evangelicals who sold us on George W. Bush as a ‘compassionate conservative’ are now trying to sell us on Mike Huckabee.” See <http://www.opinionjournal.com/diary/?id=110010782>
- Huckabee “spent too much time feuding with **far-right elements** of his own party – ‘**Shiite Republicans**’, **he’s called them...**” Ask former Arkansas Republican state representative Randy Minton at 501-843-3147 See <http://www.arkansasnews.com/archive/2006/01/08/JohnBrummett/332654.html>
- Huckabee says, “We’ve actually had a very cordial, a very decent relationship...I’ve had, frankly, a very positive relationship with Bill Clinton.” Two liberal boys from Hope, AR...oh, how sweet! See <http://www.youtube.com/watch?v=4iOArgB2k4w&feature=related>
- **Don’t be fooled by his smooth rhetoric!** His “truth squads” are truly “spin squads”. For those who want to learn more from a lady who experienced Governor Huckabee’s conservative betrayal first hand, contact Betsy Hagan, Director of Arkansas Eagle Forum at 501-821-1954.
